Housekeeping Materials

According to a survey by the Confederation of Indian Industry (CII), approximately 70% of workplace accidents in India are attributed to poor housekeeping practices

At K. N. International, we understand the importance of effective housekeeping in Indian corporates and industries. Our range of housekeeping materials is designed to help you maintain a clean and safe work environment, thereby reducing the risk of accidents and injuries. From surface cleaners to waste management solutions, we offer high-quality products that meet the unique needs of Indian businesses.

Cleaning chemicals & Solutions

From disinfectants and floor cleaners to degreasers and air fresheners, we source top brands to keep your workspace sanitized and smelling fresh

Cleaning Equipments & Tools

We supply everything from mops and buckets to microfiber cloths and waste disposal bins, ensuring you have the right tools for every cleaning task.

Restroom & Paper Products

Stock up on high-quality toilet paper, towels, tissues, and hand soaps from leading manufacturers, promoting hygiene and comfort in your restrooms.

Waste Management

We offer a variety of trash bags, liners, bins, and recycling collectors to facilitate efficient and responsible waste disposal.

Office & Administrative Supplies

A 2020 study by Staples found that disorganization and difficulty finding supplies can cost an employee an average of 2 hours per week. This translates to significant productivity loss for businesses in India, a country with a growing workforce.

Disorganized workplaces in India could be costing businesses millions of employee hours in lost productivity each year. **K. N. International** can help with a wide range of administrative supplies to keep your office running smoothly!

Stationery & Desk Supplies

Keep your employees productive with a complete range of pens, pencils, paperclips, binders, notebooks, and printer paper from the brands you trust.

Breakroom Supplies

Ensure employee well-being with coffee filters, cups, plates, utensils, napkins, etc., from reliable manufacturers.

Technology Accessories

Keep your equipment running smoothly with printer cartridges, toner, cable ties, surge protectors, and cleaning supplies compatible with your devices.

Desk Organization Solutions

Promote a clutter-free and organized workspace with Sheet protectors, organizers, staplers, tape dispensers, key cabinets, and a variety of other office equipment.

PPE & Safety Equipments

A 2020 study by Staples found that disorganization and difficulty finding supplies can cost an employee an average of 2 hours per week. This translates to significant productivity loss for businesses in India, a country with a growing workforce.

Disorganized workplaces in India could be costing businesses millions of employee hours in lost productivity each year. **K. N. International** can help with a wide range of administrative supplies to keep your office running smoothly!

FUN FABRICATION FACT:

Metal fabrication can save trees!
Why? A frame for a 2000 square
foot house can be built using just
the recycled steel from four cars.
To frame a house the same size in
wood, it would require material
from 40 trees!
